October 2016

QUALITY POLICY

Action Drill & Blast seeks to be the leading global provider of drilling and blasting services.

To be successful, Action Drill & Blast is committed to the following goals:

- ✔ Develop technical and safety standards to ensure all work is performed to the highest level of quality as required by our clients, and in the safest possible manner.
- ✔ Provide our clients with an optimum level of quality, service and value. In order to achieve this objective we have implemented a Quality Management System based upon the International Standard AS/NZS ISO 9001.
- ✔ Maintain our Management System to ensure compliance with all applicable legislation and standards to which the organisation operates in.
- ✔ Continuously improve our business practices, work methods and quality management systems.
- ✔ Perform all activities in a systematic and controlled manner and in an environment conducive to a philosophy of continued improvement and excellence.
- ✔ Communicating our Quality Policy to all employees, so that they are aware of their responsibilities for quality and service standards that meet our clients' requirements.
- ✔ Exceed client expectations in the fulfillment of contractual obligations. Measureable objectives are regularly reviewed to ensure we assess our performance and improvement.
- ✔ Maintain stringent standards of excellence and performance within the Company, with our suppliers, and with our customers.

Warren Fair
General Manager
